Freestanding Bathtub

Discover Exclusive Design of Savarona !

Produced from 100% cast acrylic phthalate-free plate, Savarona offers superior hygiene and a healthy bathing pleasure thanks to the phthalate-free acrylic surface.

Designed with more than 20 color options, this model can also be produced in matt / glossy interior and exterior in different colors.

A special material used in addition to fiber reinforcement has increased the weight and strength of the product.

<b>Net weight (kg) / Volume (l)</b>	70 kg / 270 l
